## DIABETES EDUCATION

### Liberty Medical - an invaluable resource for diabetes education.

You can count on Liberty Medical as a source of helpful [diabetes information](#) and education. The nation's leading provider of diabetes products and supplies, Liberty® offers comprehensive diabetes education for controlling diabetes. Whether you're seeking diabetes information about a diagnosis, news about the latest diabetes treatments or education on proper food preparation, you'll find it all at LibertyMedical.com.

[Learn more](#) about diabetes education and Liberty Medical.

### Find recipes, articles, video and other diabetes education materials.

As a company focused on making life easier for people living with diabetes, we know that education about diabetes and controlling diabetes is essential. At LibertyMedical.com, you'll discover a wealth of diabetes education resources and diabetes information, including:

- Videos: our videos include helpful instructions on food preparation, and inspirational videos that can help motivate you to make the changes you need to effectively manage your diabetes.
- Recipes: diet is critical for those living with diabetes you'll find a treasure trove of delicious and healthy recipes. From Cinnamon-Streusel Coffee Cake to Mediterranean Portobello Burgers to Sauteed Escarole with Garlic, our recipes are designed to deliver lots of flavor while helping you manage your blood glucose levels.
- Articles: you can get an education on the basics of diabetes or research nutrition, treatments, [diabetes and exercise](#), [diabetes medication](#) and much more.

Liberty's diabetes information and resources - including diabetes recipes, articles and more - are available through Liberty's [YouTube](#) channels, [Facebook](#) page, and [Twitter](#) page. Or visit our [Ask-A-CDE](#) page for more answers to questions about diabetes.

### Liberty is a one-stop resource for diabetes products, supplies and education.

In addition to diabetes education, Liberty offers essential products and [diabetic products](#) and supplies for people living with diabetes:

- Glucose meters. Liberty provides a wide selection of [blood glucose meters](#) to meet your health needs and lifestyle. Liberty's helpful customer care representatives are ready to help you choose the [blood glucose meter](#) that is right for you - and also ask about our free diabetes meter opportunities.
- Insulin. Order insulin supplies from the convenience of your home. Liberty handles Medicare and insurance claim forms and reminds you when it's time to reorder.
- Insulin pumps. Choose from pumps made by leading manufacturers such as Medtronic, Animas and ACCU-CHEK.
- Continuous glucose monitoring systems. As the latest in [diabetes testing](#) devices, these monitors provide up to the minute results and around the clock glucose readings.
- Other supplies, including CPAP supplies, ostomy supplies and incontinence supplies.

Liberty makes life easier by shipping right to your front door. And with free shipping\*\* and a No Risk Guarantee\* on diabetic products, it's no wonder Liberty is the choice of more than 230,000 doctors and one million people living with diabetes nationwide.
