## DotCrawler.com - "Alternative Smoke Blends and information on legal smokes"

Specializing in exotic herbal high quality legal buds, liquid extracts, solid resins, marijuana alternatives, tinctures, and ancient sacred herbs that have a extensive history for healing, stimulating or soothing the mind, body, and soul. Our single-minded focus is to provide only the best, proven herbs, legal buds and herbal smoking products. We don't make false claims about our products, and continually refuse to sell herbal smoke products that do not measure up to our "high standards".

All Herbal Orders Are Shipped Free to the USA and Canada with 100% discreet shipping using United States Post Service. Free Gift with every order! We Accept Major Credit/Debit Cards. We only accept credit card orders from the USA or Canada and only ship to the credit card holder's billing address. All of the products offered on our website are composed of 100% natural herbs and botanicals. They do not contain additives of any kind, marijuana, tobacco, nicotine, synthetic or pharmaceutical agents. Nor do they contain any prohibited or restricted herbs that will cause you to fail a drug test.

## How To Roll a Joint Guide, Manually Rolling Your Herb Smoke and the Proper Lighting Method

Even though some tokers do roll it joint style and smoke it, a water-pipe, bong or vaporizer is really the best way to smoke your herbal smoke alternative. If you must use papers, read our **Dot Crawler Guide to Rolling a Perfect Joint**. Also the buds your smoking needs to undergo combustion by means of a much hotter flame than an ordinary cigarette lighter, read our **Dot Crawler Guide to the Proper Lighting Method** for maximum effects.....[read more]
