Child Care

Child Care

The Old Colony YMCA is the largest provider of child care and after school programs in the region. We offer a variety of programs that provide safe, fun and nurturing environments with exciting, hands-on activities. We offer child care options to suit the needs of families. All our child care programs are licensed by the Department of Early Education and Care (EEC). Programs offered include:

- ▶ Before school care
- ▶ After school care
- ▶ School Vacation Programs and Early Release Care
- ▶ Summer Camp Programs

Our programs feature an emphasis on health, development and enjoyment. While programs for small children are focused on strong caring, development, and safety; programs for older children add home work assistance, character development, health and wellness programming and social development.
