Fitness Models - Become a Fitness Model

In today's world of fitness fanatics our fitness models are always popular; we receive requests for both **male fitness models** and **female fitness models** for all types of fitness modelling work requiring a fit, firm and healthy body.

[Apply to be a model](#)

Whether to promote a healthy lifestyle or sell gym membership our clients are looking for fitness models, male and female swimsuit models, bodybuilders and underwear models.

Fitness modelling assignments come in all forms from photographic shoots for fitness and lifestyle magazine articles and adverts to swimwear and gym wear clothing shops and catalogues and of course to promote diet and fitness products, in fact anywhere that a fit and healthy looking model is required.

If you enjoy working out and looking after yourself why not take a look at fitness modelling, whatever your body frame, size or shape from muscular male or female bodybuilders to shapely but toned female fitness models contact **Models Direct** now for fitness modelling opportunities at Models Direct Model Agency.
