WELLS G96 Gas Sniper Rifle

The original gun was made for German forces but has now been adopted by the British Army in favor of the out dated L96, essentially its very similar but has mono-pod and folding stock making the gun much easier to carry. Fluted barrel with moderator and good solid feel, this gun is a nice bit of kit.

King Arms Blaser R93 LRS1 Ultra Grade

The Blaser R93 Rifle by KingArms is a piece of art. Originally designed as a German sniper rifle with superb accuracy. But this airsoft R93 is very accurate as well, it comes with a bipod mount, perfect for steady sniping.

The product code (%s) is not found.
