Personalisation of number plates is no longer something only enjoyed by the rich and famous, anyone and everyone who wants their beloved car to stand out is heading to Regtransfers.co.uk to search for their perfect registration. And it's not just individuals who are catching the private car number plates bug: we see an increasing number of sales to businesses of registrations that spell out words relevant to their trade. Pimlico Plumbers is one of our most valued repeat customers, having equipped a whole fleet of their vans with great themed registrations such as **BOG 1**, **DRA 1N** and **LAV 1**. So, why not search for your own private car number plate while you're here? See the search box in the right hand column, or choose one of our other private car number plates search options. If you would like to know a little more about us and our customers, why not click here to visit our testimonial page.
