Auto Locators

Looking for a new or pre-owned automobile?

Let your Credit Union put you in the driver's seat the fast and easy way with Credit Union of Georgia Auto Locators. Credit Union of Georgia

Auto Locators is an Auto Buying Service designed exclusively to assist Credit Union of Georgia members in the purchase of their next new or pre-owned vehicle.

Credit Union of Georgia Auto Locators has over 50 years of automotive experience and the ability to offer the most complete range of products and services in the industry to members just like you! Their professional and courteous staff will take the time to understand your wants and needs in your next vehicle purchase. Best of all, they eliminate the hassles and headaches of negotiating the best price with the dealership.

All you have to do is call 678-322-2063 and tell the Credit Union of Georgia Auto Locators representative the make, model, color, and options you would like to see on your next vehicle and they'll take care of the rest. Also, because they work independently from car manufacturers and dealers, there's no pressure or obligation to purchase. This is a FREE service for Credit Union of Georgia members.
